

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

BRENDA M JOHNSON,

Plaintiff,

v.

UNITED STATES, et al.,

Defendants.

CASE NO. C21-5242 MJP

ORDER DENYING MOTION TO
STAY

This matter comes before the Court on Plaintiff's Motion to Stay. (Dkt. No. 38.) Having reviewed the Motion and the balance of the record, the Court DENIES the Motion.

Plaintiff asks the Court to stay this matter pending her appeal pursuant to Fed. R. Civ. P. 62(g). (Mot. at 1.) Plaintiff's request cannot be granted. The Court dismissed Plaintiff's second amended complaint and entered judgment dismissing this matter with prejudice. (Dkt. Nos. 26, 27.) There are therefore no proceedings before this Court to stay while Plaintiff pursues her appeal. The Court therefore DENIES the Motion.

\\

1 The clerk is ordered to provide copies of this order to Plaintiff and all counsel.

2 Dated October 8, 2021.
